

Healing Rain

by Bob Wiley

Heal me, Lord, and I will be healed; save me and I will be saved, for you are the one I praise.

-Jeremiah 17:14 NIV

This scripture should be in all of our minds with what's going on right now in the world. We all need to praise the Lord and ask that his healing hands come down and heal the earth of this horrible coronavirus. "The Lord gives back to those who believe in his goodness."

This also brings to mind a song that I really enjoy, "Healing Rain" by Michael W. Smith. The third verse of "Healing Rain" is a favorite of mine:

*Healing rain, it comes with fire so let it fall and take us higher
Healing rain, I'm not afraid to be washed in Heaven's rain**

None of us should be afraid to be washed in Heaven's rain, to let it cleanse all of us.

He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever. -Revelation 21:4 NIV

As this verse from Revelation says, he will wipe every tear from our eyes. I believe that if we would read our favorite verses out of the Bible each day, and prayed to our Lord and Savior, that it would help put an end to this pandemic.

Prayer: Our wonderful Lord and Savior, we truly thank thee for this fantastic world that you created for us; all the beautiful scenery thou blessed us with, the love and mercy thou gives us each day. All we are asking precious Lord, is for you to put your healing hands upon the world and heal it of this horrible coronavirus so we can all live in harmony, and be full of love and happiness. We pray to thee. Amen.
